Medical Certificate

UNDER SECTION 51 OF THE CIVIL PENSION CODE.

The form of the certificate to be given respecting an officer applying for pension in India is as follows:—

Certified that I have carefully examined Thukkaram Kalinge

son of Annaji Kalinge, a Lance Duffedar No 10

in the B. Troop of the Local Horse Regiment.

His age is, by his own statement 27 years, and, by appearance, about 27 years.

I consider him to be completely and permanently incapacitated for further service ~~of any kind~~ (or in the Department to which he belongs,) in consequence of Chronic piles - Weakness & pain in the right shoulder & pain in the chest - brought on as regards the piles from a fall upon his horse in the month of April 1908

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

(If the incapacity does not appear to be complete and permaneut, the certificate should be modified accordingly and the following addition should be made:—)

I am of opinion that

is fit for further service of a less laborious character than that which he has been doing, (or may after resting for months, be fit for further service of a less laborious character than that which he has been doing.)
